

## Thank You!

Thank you so much for the delicious food that you provided on behalf of our mother, Gertie Corder. That was so thoughtful of you! She loved her church family and we are so thankful that she was able to be involved in the ministry of First Baptist Church. Although Mom is greatly missed, we know where she is and that she is happy! Thank you again! *Bill Corder, Terry Corder, and Suzanne Black*

## **Devotional Materials**

In these difficult economic times, we have all had to make decisions about how to wisely use our resources. Our church has had to make these difficult decisions as well. As we were preparing our budget for 2012, we realized that we were spending about \$1500 each year for magazines and devotional materials. We also realized that we were discarding a number of unused copies each month. We decided that ordering these publications in bulk when only a few were used was not the best use of our church resources. Therefore, we did not include our subscriptions to these publications in the 2012 budget. We will continue to receive these publications until our current subscriptions expire. Listed below, you will see the dates when these subscriptions will end as well as information about how to order these resources for yourself if you would like to continue receiving them.
